

# The Greek Media Barometer 2024

## What is at stake in Greece's mass media landscape?

### Program

**Thursday 13 March 2025, 6:00 PM – 8:00 PM**  
**INNOVATHENS | Technopolis City of Athens, 100 Piraeus st., Gazi**

The "**Greek Media Barometer 2024**" (GMB) is presented to the Greek public for the first time. The Media Barometer is a tool of the Friedrich-Ebert-Stiftung and has been used in dozens of countries. The GMB provides an innovative analysis of the media landscape in Greece, assessing critical aspects such as freedom of expression, media independence, pluralism, code of ethics and economic sustainability. Based on a transparent self-assessment process by a team of experts, the Barometer identifies challenges and opportunities in the media sector. The event will present the key findings of the survey, followed by a discussion with journalists and researchers.
